

Membership Report for October 2018 Directors Meeting

Memberships are still arriving - in September we have had 4 FSWD, 1 FSND, 1 IsocWD

I had a meeting with IJ, NW and Jo West to look at membership options.

We propose a restructuring of membership classes to try to include kayaks, paddleboards, kite surfers, surfers, and other non motorised water sports.

We also want to recognise single parent families. We must be wary of dual parent families trying to join as a 1 parent family.

	FAMILY	1 PARENT FAMILY	INDIVIDUAL	STUDENT In FTE	CADET
WATERSPORTS WITH SAILING can hire club boats (£5) Can hire club boats annually (£100) can have a boat berth (£50) Caravan Berth (£250) access to changing rooms Camping at club sites Social activities Duties expected Duty Opt out £150 Galley Discount	£180	£140	£140	£50	£40
WATERSPORTS NON SAILING Access to changing rooms can upgrade to sailing Camping at club sites Social activities Kayak berth (£20) Duties? ? Galley Discount	£130	£100	£100	£50	NA
SOCIAL No access to changing rooms Social Activities No Duties expected Can camp at club sites ?? Galley Discount	£80	£70	£60	£20	NA

Kayaks can be stored at Seaford under the balcony - at Piddinghoe with sailing boats - can we accommodate kayak storage at Piddinghoe? Rack?

Do windsurfers qualify for Non sailing watersports?

How can we compensate for the few social members who commit to doing duties? Geraldine? Clive MB, John Cornish, Dick and Bryan ? are they worried? would they stop doing the volunteering

We do have 3 FSocND - we would lose £450

Social members would have a different membership card without access codes.

Should cadet parents be social members and add cadet sailing? or could be water sports members what about camping and using facilities

MONTHLY MEMBERSHIP

It is possible for us to set up a monthly membership payment option. using Go cardless - this would cost us 3% so I suggest that we offer monthly payments as shown below. We would need to get a commitment to pay for the whole year - in practice I guess if there was a good reason that somebody had to cease payment that an approach to the board would be acceptable.

	FAMILY	1 PARENT FAMILY	INDIVIDUAL	STUDENT In FTE	CADET
WATERSPORTS WITH SAILING	£180 (12 x £16 = £192)	£140 (12 x £12.50 = £150)	£140 (12 x £12.50 = £150)	£50	£40
BERTHS	£50 (12 x £5 = £60)				
BOAT HIRE GROUP	£100 (12 x £9 = £109)				
WATERSPORTS NON SAILING	£130 (12 x £11.50 = £138)	£100 (12 x £9 = £108)	£100 (12 x £9 = £108)	£50	NA
KAYAK BERTH	£20 (12 x £2 = £24)				

Berthing -

- Most people have one boat that stays at Piddinghoe.
- Quite a few Seaford Racers move their boats to Piddinghoe for the Winter series (no Charge)
- A very few people from Piddinghoe move their boats to Seaford for the summer.
- Some people have more than one boat stored on their berths (which is in contravention of the byelaws <http://www.nssc.org.uk/nsscdocs/procedures/byelaws/Byelaws2012.pdf>)- I was going to copy the relevant section but looking at the byelaws these need a serious look at as there are several things that are not enforced and may need revising.

The question to be answered is - should it be flexible for members to move boats between the two sites - subject to there being space - ie one boat one berth fee- ?
